This report reflects the participation of your Unit **after 1st May 2018** so yes, I do need this year's poppy distribution information. All this information is sent to Division and then on to National, so it is important we keep good records.

Please send in a narrative (written report) with photos as your entry for the Poppy Award. This is as well as the attached report. Don't forget to put your Unit name and number on the narrative.

If you send in your mid year report at this time, your end of year report will be minimal. And its easier to remember what happened a few months ago!!
