Constitution and By-Laws

Ladies, I hope your new ALA year is off to a great start. As you know at convention in July we passed the new, updated Department Constitution, By-Laws and Standing Rules and now we must make sure that all the Districts and Units get there's updated as well. Many thanks to those who got it done last year.

National has made some changes in the Preamble, our eligibility requirements have also changed to allow those whose spouses have served since Viet Nam. This opens the door for more new members. Men whose wives have served are now eligible to join so we must now make everything gender neutral. The National Constitution and By-Laws can be found on the National website.

So please pull out and dust off your governing documents to make the updates, then send me copy and one to the office. A signed copy of all District and Unit governing documents must be on file in the Department office.

I have heard of several units who have not been able to locate theirs, not a problem together we can get take care of that. I will be contacting you shortly to see how I can be of assistance, and have a couple template if you want to use them.

I want to thank the Districts and Units that updated their governing documents already. You ladies Rock!

Please feel free to contact me anytime. My email is my_way@q.com phone 208-237-1810

I look forward to working with you.

For God & Country,

PDP Barbara Wadlow
Constitution & By-law Chairman
