

PAST PRESIDENTS PARLEY

The Past Presidents Parley consists of past Department Presidents in good standing, with the purpose of mentoring others and furthering the aims and purposes of the American Legion Auxiliary. They also raise monies for the purpose of awarding an annual Nursing Scholarship from applications passed down from the Education Committee.

To raise money for the Nursing Scholarship named above, the Past Presidents Parley is promoting a recipe book compiled by the Past Presidents themselves. For a suggested donation, you'll get not only the best recipes from all across Idaho, but also learn a little more about the Past Presidents in Idaho. There are only a limited number available, so order early. The order form is below.

Sarah Brown, Immediate Past Department President
