

IT'S BABY SHOWER TIME

We will be gathering unwrapped new baby gifts for the VA Women's Clinic in Boise at the Mid-Winter Convention. They need the normal things that any other Mother-To-Be would need.

Some ideas are: diapers, bottles, blankets, onesies, binkies, rattles, and any thing else that you can think of. Most of all they will be needing gift cards from Winco or Walmart to buy formula.

Please keep a list of items that you donate, along with the prices of each so we can turn it in to the VA (at their request).

If you would like to, we are also gathering VERY GENTLY used baby items (clothing, etc.) to donate to the women's shelters. Some of these women only get out of a bad situation with the clothes on their backs.

Thank you for your much needed help,

Beth Beedle

Department President 2023
