

LEADERSHIP 2023-2024

The Leadership program has 3 main objectives:

1. To raise awareness of ALA leadership development opportunities.
2. To promote participation in the ALA Academy.
3. To enhance knowledge about ALA history, programs, and organization.

There are many opportunities to learn more about the ALA to be ready to assist in various roles. Please encourage all members to participate in at least one of these.

Individuals:

1. Take online classes from the ALA Academy, found on the National website, <https://www.legion-aux.org/>. Requires Log In, link is found under Meetings/Trainings.
2. Sign up for the ALA Leadership Facebook group, a space to discuss and share.
3. Attend Idaho Legion College; requires completion of Legion Basic Training first, <https://www.legion.org/alei> and registration with the Idaho Legion Adjutant.
4. Attend District meetings, Mid-Winter conference, Department Convention, Mission Training.

Units:

1. Complete the Senior Auxiliary Basics Course found on the National website on the Leadership Committee page.
2. February 20 is National Leadership Day, so use your February meeting to talk about Leadership.
3. Choose a Unit Member of the Year.

The Leadership program awards Unit Member of the Year, which is open to Senior members who are not currently, nor have ever been, in an elected or appointed leadership role higher than Unit President. Entry requires a narrative of 1,000 words or less describing the nominee's accomplishments and activities. Entry is due to me by **May 1**.

Lastly, let me know what your Unit members did to increase their knowledge of the ALA during the 2022-2023 year. A form is attached for your convenience, and is due to me by **May 1**.

Most importantly, have fun learning about leadership this year!
