Let's start by introducing myself. I am Janet Hardsock. I am a member of the American Legion Auxiliary #69 in Plummer, ID. My husband recently passed away. He was a disabled veteran. Due to the process of moving I was unable to take part on the 17th.

We must always work together to take care of the American Legion Family. All of the issues that affect them must be addressed with persons serving in our Legislature both at the state and federal levels.

Things such as:

- Healthcare
- Education
- Employment
- Housing
- Family Support

Please send me your narrative by **May 1, 2025**, of your Legislature issues and accomplishments.

Thank You!
