Hello Chaplains! I am hoping to really get to know you and encourage you to know and support each other. We can do this by sharing our concerns. Please join the Idaho Chaplains Facebook page and feel free to introduce yourself there.

Below I have listed goals and challenges for you during our 2024-25 year. I hope you are already doing some of them and will consider others quite easy to accomplish. But I also hope you will discover a challenge here, too, or have your imagination sparked for new ways to support veterans and other Auxiliary members in your area. Awards will be given based on your reports and how well you meet these goals and challenges. We work together for God and Country. I am praying for you. Your year-end report telling of your accomplishments is due March 31st 2025.
