

Constitution and By-Laws

Have you ever wondered why it is so important to keep your Unit and District Constitution and By-Laws up to date? These are your governing documents for the operation of your unit. Our National organization has made several changes in the past couple of years and your documents need to be brought up to date to reflect those changes.

As many of you know our eligibility has changed to keep up with the times, the Preamble has had a couple of word changes also. Now it the time to consider adding electronic meetings for those who are unable to attend meetings. We also have a new logo as you see at the top of the page. We are still using the old emblem also.

Many of you have already done the updates and for that I thank you. But for those who have not, you need to get it done as soon as possible. I am always here to assist you with that, just give me a call, text, or email. Phone (208)237-1810, Email theprez1718@gmail.com

For God & Country,
