This year I am challenging all Units in Idaho to strive to reach at least 2 hours average/month per member and report to your Unit President or directly send to me.

You probably don't realize what you are already doing now. I am going to list a few examples of Community Service – however, please feel free to come up with your own ideas or continue on with what you are already doing – maybe see about adding a little more time towards service to your community.

Examples:

Donations to Homeless Shelters in your area for: Men, Women, & Children

Take food to a neighbor shut in – offer a car ride to Doctor, Dentist, grocery store, pharmacy

Offer to do some light housework for a neighbor or shut in

Blood Drives

School Programs & Activities

Food Drives

Any Community Event – check your local community calendar often

Rake leaves, shovel snow for a neighbor or elderly person that needs some help
(or maybe they just need something to smile about)

Seeing some of these examples...are you surprised at what you already do? Keep it up!!

Report your hours to me and let's make a difference in our community!!

Thank you for all you do in the Spirit of Service!!
